

ETCH Patient Portal How to Navigate and Review Reports

Please make sure that you are going to the following address: <https://patientportal.etch.com>

Please Note: Do not use the browser back and forward page buttons; you must utilize the patient portal action buttons to navigate.

To review a report, click on the "Health Record" button:

Now click on the "Reports" button:

Tele's Health Record

Please Note: Patient Portal is not a representation of your full Medical Record. If you are expecting to see a particular item(s) and it is not available, please contact the Medical Records Department for more information. Use the Contact Us link on this page.

Select an item below or a button to the right to view more details. Select Health Summary to view, print or download a summary of your care. [Learn More](#)
