

Maintenance of Certification Part IV APB QI Guide (2020) Attestation

Name:

Project:

The ABP QI Guide consists of content covering:

- Improvement overview
- Why this effort is important
- Using the Model of Improvement
- Aim Statements
- Is Change really improvement
- Choosing measures
- Changes that result in improvement
- Test ideas
- QI tools
- How to sustain change/improvement
- Resources

I have read the American Board of Pediatrics QI Guide. I agree to use information I learned as I plan/participate in this MOC IV project.
